The Supreme Lodge of the Knights of Pythias.

Synopsis of Their Proceedings and Results of the First Meeting of the Order Held West of the Mississippl.

KANSAS CITY, Aug. 23 .- The supreme odge of the Pythian order for the world is in session. At 11 o'clock this morning the big doors of the Scottish rite hall were opened, the supreme chancellor and the representatives who compose the supreme fodge passed through, the deors closed with a bang. of 1888, and simply said he had made Will Borrow Five Millions.

The supreme outer guard assumed his no new discoveries concerning Marseles, Aug. 23.—The government of station and thus the complicated massimes that publication. Bismarck only chinery of the Pythians was put in motion. In the preliminaries leading up to the formal opening of the first season were included a reception to the gust sellor and peyecuan in ordinary to the An Interview With Ex-Governor Camp- supreme lodge at the Grand opera house and addresses of welcome by the mayor of the city and the governor of E. Campbell of Ohio, accompanied by the state, and by dignitaries high in the and it went back to an alleged interorder of the Pythian prothermood.

Warm Welcome to the Knights, This, the first formal public greeting well be. The presence of planoplied Knights lent dignity and added a pic-turesque coloring, but in all the hearty welcoming which the Sir Knights rewas from the heart and was received in the spirit offered. The visitors were made to feel that they were welcome and everything within the city which could conduce to comfort was theirs. The public reception concluded, a short merch to the hall was made and promptly at the hour appointed every member of the supreme lodge all the supreme representatives and the supreme chancehor, who temporarrly will wield the gavel until his successor shall be chosen, were all in their places. Then, in executive session the deliberations of the first supreme lodge which ever convened west of the Missamppi formally began. Before the supreme lodge, now in session, shall fabrication he said it would require the nave concluded its deliberations, laws writing of a pamphlet to do so. Mr. for the order for the next two years Chamberlin went to Hamburg and will have been made. Once made there is no appeal. It is the supreme body, of The Hamburger Nachrichten. and as such its deliberations at this the person whom The World time will possess the keenest interest for every member of the order.

First Day's Proceedings. Today's session comprises only that portion of the scheduled business which mandatory laws require to be done at the first day's session. The report of the committee on credentials, odge rank were the only matters conedered. Until the departure of the supreme lodge, digniled, staid though to work, while the uniforms are being worn and the swords are flashing in when the play is over, work will begin, for the supreme lodge has weighty matters to consider. Its deliberations involve good or bad for an order which has now a membership of more than 400,000 valiant Knights, and whose growth has been to marvelous. Knotty problems are waiting to be solved, and questions are piled high upon the deak of the supreme chancellor, who must in turn hand them down to be disposed of by the body, which in its blennial sittings either makes or mars the prosnective increase in the growth of the wthisn order.

Indulge in Dally Entertainments. Music, dancing and a literary program will furnish entertainment every afternoon until the close of the session Mrs. Emma Bacon, of Canton, Ohio, the augreme protector, came in vesterday. She is very enthusiastic over the attendance of sisters and the interest generally manifested in the work. Kansas, lows, indiana and California egates not yet arrived will swell the ranks greatly. Mrs. Bacon has held her present office since it was created at the organization of the supreme temple, and predictions point to ner unanmous re-election to the place. Mrs. uprema representatives from Rhode lar work of the secret sessions, with the the explification of ritualistic work tomorrow night, followed by the banquet. Mrs. R. JOURNALISTIC DISHONESTY.

The New York Papers Entangled in an Imbrogilo. NEW YORK, Aug. 23 .- The business

of concecting in New York and selling foreign telegrams of a fraudulent character has long been a source of annoyance to every news organization in the country whose efforts were hampered by considerations of honesty and legitimacy. No amount of ingenuity, no reasonable expense of money, and no influence, however mighty, could to the strikers and troops, in which several were killed and others wounded, are with men such as Schiaparelli without foundation. There was no distant fismarck. The former has turbance of a serious nature last night referred all inquirers to his article except firing by skulkers, which was retalks when he wishes, and generally to the editor of the Hamburg Nachrichthe New York World published, August 5th, what purported to be an interview with Schias-parelli, which was disseminated broadcast. The New York Sun at train. once pronounced the interview a fraud World on July 12 and stamping that niso as bogus offered to give \$1000 to the Tribunes fresh air fund if the to the assembled representatives of the World would satisfy Donald Nicholson, order, was as uncetentatious as it could editor of the Tribune, that either the Schisparelli or Bismarck interview was genuine. Iwo representatives of the World called on Mr. Nicholson and flourished some forms of a French ceived there were no stilted phrases, no cable company on which there was conventional speeches. The greeting writing. Mr. Nichols in declined to deside the question, but the World claimed it had proven its case and

> In the meantime The Sun had communicated with its office in London and as soon as copies of The World containing the bogus interviews could be delivered into the nands of The Sun's representative, Frank M. White started for Milan and H. R. Chamberlain for Hamburg. Schesparelli, who reads Euglish readily, laughed at what he was credited with saying and pro-nounced is rubbish. He added that he had never before heard of the New York World, and when asked if he would point out the maccuracies in the had asserted was the man who had introduced their correspondent to Bis-marck. Dr. Hoffman had also never heard of the New York World and said

began to clamor for the Sun's \$1000.

emphatically that the use of his name in the matter was absolutely fraudu-In the course of the investigation which proved conclusively the bogus character of both interviews it came to the surface that a month after the Bisfour hours and when it was safe in the World office that paper challenged the Sun to do its worst. Another collateral issue of the investigation was the discovery that a third copyrighted cable, relating to the affairs of the Hansard Publishing union and printed last April in the World, was written in this city by a gentleman who has made affidavit to that effect. The Sun of Tomorrow morning will infamous attempt to swindle it out of \$1,000 through a conspiracy that is a disgrace to American journalism.

LACKAWANNA MEN QUIT WORK

Chief Bargent Holding Back the Firemen. There Were a Number of Small Rows But No Battle.

EUFFALO, Aug. 23. -The reports sent from here early this merning to the effect that a conflict took place between the strikers and troops, in which sevplied to by the soldiers, but no one is known to have been shot. Colonel dictator at Coal Creek. Fox, in charge of Company K, Twelfth regiment, says that the supposed firing on the strikers by his troops was caused by the explosion of over five thousand orpedoes which the strikers had placed on the tracks at short distances, and which were exploded by a passing

Spent the Night Shooting. Strikers harassed the militia for over two hours, firing shots from revolvers, outting tornedoes on the tracks and otherwise disturbing the night. The soldiers turned out several times and the yards were searched, but not a stranger could be found. As soon however, as the guards were returned the trouble began again. The men who were making all the trouble staid in the yards. They could easily escane detection among the shadows of the long strings of cars, and every time a soldier saw a skulking figure final, by in the darkness he sent a bullet after it. The shooting was general and hun. volleys were fired. Some of the skulkers may have been hit, but the hospitals this morning did not report any of them applying for repairs.

Exchanged Sricks and Shots. There were the customary number of small rows in the various parts of the disturbed district last night, but nothwas shooting all slong the front from the Ohio street treatle to the Tifft farm. Out on Seneca street a great many shots were fired and many more on the Tifft farm. So far as learned they were from the usual causes night breakers throwing bricks or mysterious forms scudding through the darkness. Be-tween 12:30 and I o'clock this morning a striker was shot by a soldier stationed at the fismburg street cressing of the Lehigh Valley. The emergency hos-pital was notified and he was conveyed thither in an ambulence. At the hospital he gave his name as William Moran. The stary he told the physicians was that he was walking along Hamburg atrest when he was a soldier with the butt of his gun. The name of the soldier who had the encounter has not been learned. Neither has his side of the story been obtained. it was very dark when the affair took lace and Moran save he could not distinguish the features of the soldier.

Dispersed the Rowdles, South Michigan street, from the Michigan street bridge to Ganson street, is considered and of the hardest points in the city for the soldiers to protect. A hundred rowdies congregated there last night and they called the Thirteenth regiment boys dudes and dan dies and taunted them until fluxly Colonel Dowd ordered the soldiers to clear the street of everybody. The soldiers charged the crowd with bayonets and for a few minutes there was a lively scramble. The rowdies were dispersed

in short order At three o'clock this morning the crosses kindigan street. They started to annoy the firemen by jeering at the soldiers with stones and coal. The mickets fired several volleys at them, but the strikers skulked behind freight

A little later there was a disturbance on the island. A striker set a building on the thirteenth soldiers near the killed the dog and fired at the striker, but he escaped. Pulled the Pin and Ran.

At the Seneca street crossing Lieu tenant Schumann was in charge. At 1

o'clock bis sentries heard men pulling coupling pins on a train which had been made up to go out this morning. They made a charge. The pine had been pulled, but the men had disappeared. hey got at it again and were bred on returned the shower of bullets with stones and skirmishing was begun tu earnest.

Captain Boylan of Company K, of the I welfth regiment, was in command at the Chaten street crossing. Here is where the greatest amount of shooting Early in the evening Cap tain Boylan heard there was a meeting him that an altack would be made on the sentries some time during the night. When he sent out his night senres he doubled them up and kept a were given the sentries in every oner to
